

Working together for this treasure called Oregon

# TEAM UP FOR WATERSHED HEALTH

A SOLV WATERSHED PROGRAM

Join SOLV this spring at one of 67 watershed restoration projects. Join neighbors and other watershed enthusiasts and get your hands dirty planting native plants, removing invasive species and helping restore critical habitat for native plants and wildlife.

Sponsored by:

CITY OF PORTLAND  
working for clean rivers

CleanWater Services  
Our commitment is clear.

## BE A STREAM TEAM CAPTAIN

SOLV's Team Up for Watershed Health has a program that provides an opportunity for volunteers to become more involved in watershed restoration at the leadership level. Volunteers receive watershed training in return for helping lead volunteer events at Team Up sites.

Please join us on:

**WHEN: January 19<sup>th</sup>, 21<sup>st</sup> and 23<sup>rd</sup> (you must attend all three)**

**WHERE: University of Portland, Room TBA  
5000 N Willamette Blvd, Portland, OR 97203**

**COST: NONE!\*\***

**HOW: To register, please contact Rhyan Grech by 1/15/10  
([rhyan@solv.org](mailto:rhyan@solv.org) or 503.844.9571 x363)**

### Training Schedule

**Tuesday, January 19<sup>th</sup>, 6-9pm:** stewardship, watershed basics, restoration strategies and examples.

**Thursday, January 21<sup>st</sup>, 6-9pm:** community involvement, working with volunteers, work party management, leadership techniques.

**Saturday, January 23<sup>rd</sup>, 9-3pm:** FIELD DAY: project examples, planting techniques, invasive plant removal techniques, native plant identification.

Upon completion of this training, Stream Team Captains will lead Team Up volunteer events involving planting native species, invasive plant removal, native plant identification, mulching and watering.

*\*\*In exchange for the free training, SOLV asks for a commitment to lead 3 volunteer planting events before the end of the year.*
